

SIXTH & I

in-person Shabbat protocols

While we continue to operate virtually, in May we will begin to pilot hosting up to 50 people for weekly Friday night Shabbat services in our 800-seat sanctuary. Your health and safety, and that of our staff, are our highest priorities. In accordance with CDC, city, and federal guidelines, please review our requirements and plans for limited in-person attendance at Shabbat services.

REQUIREMENTS FOR IN-PERSON SHABBAT ATTENDANCE

- **Advanced registration is required.** A health attestation form will be sent to all registrants the morning of services and must be submitted by 4:00 pm. Walk-ups are not permitted.
- **Please plan to arrive no earlier than 30 minutes** before services start, and depart immediately following services.
- All participants will go through a security check. **Please do not bring a bag.**
- **Masks are required for everyone ages two and above.** Cloth or surgical masks that cover the nose and mouth must be worn at all times by everyone ages two and above. Bandanas, gaiters, and masks with exhaling valves are not permitted. If a mask is deemed unsuitable, Sixth & I will provide one.
- **Sanitize your hands** upon entering the building at our sanitation stations.

HEALTH AND SAFETY PLANS FOR IN-PERSON SHABBAT ATTENDANCE

- **Physical Distancing:** Please maintain a distance of 6 feet from all other attendees.
- **Seating in the Sanctuary:** Eligible seats on pews will be marked for safe distancing.
- **Bathrooms:** You'll be directed to and from bathrooms on the lower social hall level via stairways that will be one directional.
- **Prayerbooks and Kippot:** Disinfected prayerbooks will be at seats; please leave them at your seat following services. Please bring your own kippah if you have one.
- **Food and Drink:** All water fountains in our building are closed. We are unable to serve wine, challah, or dinner. Outside food and drink, with the exception of water, is not permitted.
